"I learned how all the different aspects of the county are interconnected, and I saw how that can be leveraged to drive positive change. Through the contacts I gained, I was invited to join a local board, enabling me to help build the workforce of the future to the needs of my company, and to help build technical skills in local communities to suit the needs of the County."
— **Nikki Moberly, Sr. Director at Cisco & 2010 graduate of LFC**

Leadership Frederick County is an educational community leadership program of the Frederick County Chamber of Commerce, now entering its 24th year. This 9-month program focuses on developing a diverse pool of future leaders for Frederick County, while providing opportunities for team-building, mentorship, personal development, and community involvement.

The 2011-2012 program begins in September, with a full schedule of interactive monthly sessions:
Welcome Reception (September), Frederick County History (September), Overnight Retreat (October), Agriculture (October), Frederick Today (November), Arts & Entertainment and Recreation (December), Education (January), Health & Human Services (February), State Government in Annapolis (March), Public Safety (March), Frederick's Future (April), Closing Retreat (May), Graduation Dinner and Celebration (May 31)

Apply now for the 2011-2012 class. You'll be in good company! 700+ community leaders are LFC alumni:
